Roselands is a large detached home of 2 levels situated in a quiet private road on the edge of Reculver Country Park in Beltinge, Herne Bay. Externally it has a drive facilitating ease of transfer to and from vehicles without risk to residents or staff in the road and a Pay and Display carpark nearby. There is a garden accessible by wheelchair with hard standing areas, grass lawns, flower beds and a drinks and snacks bar. The home is close to Herne Bay which offers service users the choice of living quietly at home, or to make use of the amenities of Herne Bay coast or town. Access ramps; mobile hoists; accessible bathing; garden bar for snacks and drinks.

#### **Aims and objectives**

All three care homes operate under the same set of aims and objectives, as each care home provides care and support to people who have a learning disability.

## **OUR AIMS ARE AS FOLLOWS:**

- 1.** To provide a small friendly, caring and comfortable home for all our service users, running to the highest possible standard.
- 2.** To foster a family atmosphere in which our service users may feel safe, respected, supported and encouraged to express and develop their own personalities, self-identity, culture and spirituality.
- 3.** To adopt a person-centred approach, ensuring the best possible support for each service user according to their needs, giving them a sense of value, inclusion and security.
- 4.** To offer respectful, consistent care that encourages positive relationships, dignity, mutual respect and trust.
- 5.** To help our service users develop skills, interests, preferences and capabilities to meet their own aspirations, to increase their confidence and independence, provide them with the stimulation they need and such unobtrusive guidance as may be helpful.
- 6.** To respect our service users as individuals with exactly the same needs and rights as everyone in the community.
